

ALEXANDER, MANDT NAMED TO USLAW MEDICAL LAW PRACTICE GROUP LEADERSHIP

September 8, 2022 | News

Earlier this summer it was announced that [Donn C. Alexander](#) of Jones, Skelton & Hochuli, P.L.C. in Arizona and Heidi L. Mandt of Williams Kastner in Oregon were named chair and vice chair, respectively, of the USLAW NETWORK Medical Law Practice Group.

The USLAW Medical Law Practice Group is a network of experienced medical law attorneys handling healthcare litigation, regulatory and transactional matters for healthcare systems, pharmaceutical and medical device companies, and insurers across the country. The group exchanges knowledge and experiences with the ever-changing regulations governing healthcare providers and medical companies, along with litigation trends impacting all areas of medical law, through online CLEs, roundtables, and education tracks at Spring and Fall client conferences.
