

We understand that any type of litigation can be a strain on clients and their businesses, especially complex litigation that can negatively affect business operations and productivity. In order to minimize the effects of litigation on our clients' businesses, we are dedicated to providing the best and most effective possible counsel to defend these disputes. Our lawyers represent clients in a range of commercial and business litigation matters, including breach of contract or warranty claims, misrepresentation, fraud and other business tort claims, contract negotiations disputes, and unfair or deceptive trade practices. We effectively defend clients at all levels of state and federal courts, as well as on appeal.
