

Our extensive team of attorneys devotes considerable time and effort to developing strategies to meet the business goals of our clients in the retail and hospitality industry. We represent an array of different stakeholders in this industry, from Main-Street merchants to hotel chains to wholesalers, in all stages of growth.

We have many decades of experience working with businesses to manage the legal issues of operating brick-and-mortar storefronts, as well as online e-commerce sites. Because laws and regulations affecting retail and hospitality businesses vary vastly from state to state, we stay informed of legislative efforts at the state and federal levels that could affect our clients. Our goal is to minimize legal and governmental intrusion in the day-to-day operations of our clients' businesses and to equip them with the knowledge and strategies they need to adapt to the ever-changing regulatory climate. Clients seek our attorneys' guidance in a number of areas, including:

- Employment law, including seasonal staffing issues
- Franchising and franchising operations
- Data protection and data breach response and recovery
- Credit card processing agreements
- Accessibility and safety regulation compliance
- Commercial litigation
- Liability and insurance, including dram shop liability
- Financing
- Public health and infectious diseases
- Consumer warranties
