

Transportation remains integral to the overall economic well-being of Arizona and the entire nation. Increased competition and constant disruptors, such as the double-digit growth of e-commerce, the digitization of the supply chain and emerging smart technologies, have brought rapid changes to the business of transporting goods.

Jones, Skelton & Hochuli attorneys have helped many companies in this industry successfully adapt and prosper as the transportation landscape has changed. In court, before regulatory agencies and at the negotiation table, we represent companies in all aspects of transportation and logistics, including freight carriers, airplane manufacturers and automobile insurers. Our deep bench of transportation attorneys allows us to successfully partner with clients throughout the transportation industry to create legal strategies that position them for continued growth and success.

In addition, we are active in organizations that work to promote excellence in transportation defense, including the Trucking Insurance Defense Association (TIDA).

Rapid Response Team:

Our Rapid Response Team includes a dedicated group of attorneys, experts and specialists who are on-call 24-hours a day, seven days a week, to provide counsel and guidance to our clients when trucking or other transportation-related accidents occur. Our early involvement often results in better outcomes for
