Jones, Skelton & Hochuli is expanding its legal services to include comprehensive occupational safety and health legal defense services. JSH attorneys have represented clients nationally before the federal Occupational Safety and Health Administration (OSHA), as well as before OSHA-approved State Plans in Arizona, California, Nevada, New Mexico, Utah, Washington and other states. Our practice includes:

- On-Demand, Rapid Response Counseling Services
  - Reporting fatalities, in-patient hospitalizations, amputations and eye losses to OSHA
  - Assisting with the OSHA investigation, including the scope of the inspection, document requests, evidence collection and employee interviews
- Contesting Citations Issued by OSHA and Appealing Decisions to Higher Appellate Courts
  - Negotiating citations, including the classification, penalty amount and possible deletion
  - Engaging in discovery, including evidence production, depositions and expert retention
  - Drafting dispositive motions and/or taking a matter to hearing
- Occupational Safety and Health Compliance
  - Interpretation of OSHA regulations and standards
  - Drafting internal policies and procedures
  - In-house training for employees

We look forward to assisting with your OSHA defense needs at our competitive rates. Our early involvement often results in better outcomes for our clients. Accordingly, we are available on a rapid response basis, including availability 24 hours a day, seven days a week.
