New partner Jurhee Rice joins our JSH office in Utah, where she will focus her practice on personal injury and medical malpractice matters. With over 7 years of experience working both as a solo practitioner and for other Salt Lake City area firms, Jurhee brings the skills necessary to expand our services to JSH healthcare clients in this region.

Jurhee earned her J.D. from Arizona Summit Law School in 2015, graduating *Magna Cum Laude* and serving as a teaching assistant for Tort Law and Civil Procedure. Her B.S. in Biology/Chemistry is from Westminster College (Salt Lake City), and she also has a M.S./M.P.A. from the University of Utah.

Prior to law school, Jurhee spent several years in the healthcare industry, working as a Laboratory Manager and Clinical Research Manager. Her diverse background of education and hands-on experience provide Jurhee with a broad perspective and appreciation for the ways in which we serve our clients.

In her spare time, Jurhee rescues, aids, and feeds stray animals. She also enjoys reading, hiking, and spending time with family.
